MWR Consulting LLC (MWR) was established in 2015 and is a minority certified coach specializing in the management and coordination of logistics, diversity, equity, inclusion + belonging strategies, and project management in the commercial, philanthropic, and government environment. MWR's technical and content expertise includes logistics, economic development and community engagement.

COACHING

Coaching includes the use of best practices to help individuals unlock, elevate and embrace their gifts to create their own reality. Coaching incorporates both one-on-one and group sessions tailored to meet the needs of all team members.

DIVERSITY EQUITY INCLUSION + BELONGING (DEI+B)

Diversity Equity Inclusion + Belonging includes designing curriculums, facilitating trainings and conducting organizational assessments to identify the tools needed to best support the client. Trainings incorporate facilitating conversations across teams, departments, and organization wide as well as identifying tangible strategies to advance DEI+B.

PROJECT MANAGEMENT

Program and project management includes designing and managing professional meetings and community conversations. Meeting planning incorporates thought partnership, facilitation, provision of technical service, and full execution of logistical processes.

LOGISTICS

Logistics includes the management and coordination of the flow of goods, information, and resources between the point of origin and the point of consumption. It involves planning, implementing, and controlling various activities within the supply chain to ensure the efficient and effective movement of products or services.

LOGISTICS CONSULTING SERVICES

Logistics consulting includes helping businesses optimize their supply chain and logistics processes, enhance operational efficiency, reduce costs, improve customer satisfaction, and gain a competitive edge in the marketplace.
